SENATE BILL

No. 1040

Introduced by Committee on Budget and Fiscal Review

February 27, 2003

~~An act relating to Medi-Cal.~~ *An act relating to education finance, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.*

LEGISLATIVE COUNSEL'S DIGEST

SB 1040, as amended, Committee on Budget and Fiscal Review.

~~Medi-Cal~~ *Targeted Instructional Improvement Grant Program: appropriation.*

Existing law, the Budget Act of 2002, appropriated \$737,597,000 to the State Department of Education for local assistance for purposes of the Targeted Instructional Improvement Grant Program.

This bill would reduce that appropriation by \$80,000,000 and would appropriate that amount from the General Fund to the department for the 2003–04 fiscal year for the program. The bill would declare that funds appropriated by its provisions would be deemed to be applied toward the minimum funding requirements for the 2003–04 fiscal year for school districts and community college districts imposed by Section 8 of Article XVI of the California Constitution.

This bill would declare that it is to take effect immediately as an urgency statute.

~~Existing law provides for the Medi-Cal program, which is administered by the State Department of Health Services, pursuant to which medical benefits are provided to public assistance recipients and certain other low-income persons.~~

~~This bill would express the intent of the Legislature to make the necessary statutory changes to implement the Budget Act of 2003 relative to Medi-Cal.~~
